Kansas City offers visitors a distinctive travel experience and an inspired hotel in the very heart of the city. Conveniently situated within Hallmark Crown Center, with its more than 85 acres of shops, restaurants, live theaters, and a salon/spa the Westin Crown Center is just 10 blocks from the downtown KC Power and Light Entertainment District, Sprint Center arena, College Basketball Experience interactive "museum" and Bartle Hall/KC Convention Center. The Westin is also located minutes from the renowned Country Club Plaza. Just next door is Liberty Memorial, the country's only WWI Museum. The Link, a climate controlled glass sky bridge, leads directly to Union Station with prominent traveling art exhibits and the popular Science City.

guest accommodations

Each of our 724 guestrooms offer the Heavenly Bed, Heavenly Bath, high-speed Internet access, refrigerator, safe, in-room movies and 37-inch LCD televisions. Additional accommodations include 27 spacious suites, such as the opulent 1,350-square foot Presidential and State Suite, which each feature a dining room, large living room with fireplace and Bose stereo system.

dining

Enjoy elegant Benton's Prime Steakhouse, serving Kansas City's best dry aged steaks and fresh seafood. The restaurant's rooftop setting provides breathtaking views of the Kansas City skyline. Listen to live jazz weekend evenings.

Brasserie offers sophisticated ambience and Continental cuisine for breakfast, lunch and dinner.

The hotel also offers 24-hour in-room dining.

meetings & social affairs

A total of 30 meeting rooms are offered, with 53,873 square feet of meeting space—32,000 square feet of which are located exclusively on the ballroom level. The largest space measures 16,089 square feet and hosts up to 2,000 attendees. Six deluxe conference rooms are also available on the fifth floor.

The hotel connects to the Crown Center Exhibition Hall via The Link, where an additional 40,500 square feet of exhibit space are available (5,000 square feet of pre-function space). Special features include same-level loading docks, 20-foot ceiling clearance, indoor access, on-site covered parking, polished concrete floors, and capacity for 284 eight-foot by ten-foot booths.

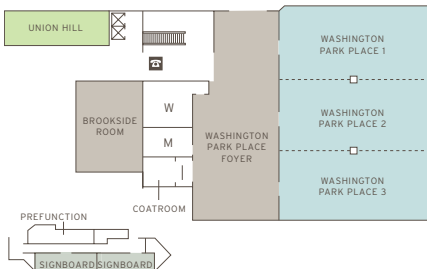

recreation & attractions

Our huge WestinWORKOUT® fitness center features free weights, weight machines, a separate cardio theater with two dozen machines, sauna, steam, tennis courts, tanning, an outdoor heated pool open year-round, an indoor whirlpool and locker rooms.
